**Sur la partie plantée**

A grayscale photograph of a landscape. In the foreground, there is a path or a cleared area with some sparse vegetation. The middle ground shows a line of trees, some of which are bare, suggesting a winter or late autumn setting. In the background, there are several multi-story buildings, possibly residential or institutional. The overall scene is somewhat desolate and quiet. The text 'Sur la partie plantée' is overlaid in a bold, red font across the upper middle part of the image.
